Right Fields to move to new office space to accommodate its expanding work force

Right Fields would be shortly moving to a larger office space in Chennai, India to accommodate its expanding work force. Right Fields has been expanding its team in Microsoft Dynamics & Qlik View. Right Fields, today, has very well qualified and experienced teams in Microsoft Dynamics NAV, Microsoft Dynamics AX, Microsoft Dynamics CRM, QlikView, Windows Sharepoint services, .NET and Java technologies.

Right Fields is continuing to make its investments in further expanding its very competent work force in Microsoft Dynamics and QlikView.
